ABOUT US /

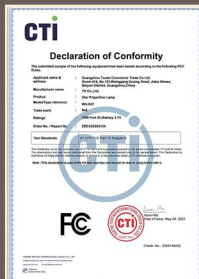

Onefire is a leading online brand in Gift & Ambient Lighting, offering silicone night lights, projection lamps, Bluetooth speaker lamps, and portable lamps.

Founded in 2012, we operate 50+ online stores worldwide, with sales across North America, Europe, Australia and beyond. Our cumulative sales exceed 50 million pcs, ranking top in multiple e-commerce categories.

With a 30,000 m² factory, 50+ R&D experts, 600+ patents, and certifications including ISO, BSCI, and FCC, Onefire guarantees both quality and innovation.

As the creator of numerous online bestsellers, we are now expanding into offline B2B markets and look forward to strategic partnerships.
